

On March 13-15th, 2020, the **6th Annual SoCal Tango Championship & Festival** (a non-profit event) will take place in Los Angeles, California. Over 500 attendees around the world travel to participate in this event. SCTC is the largest international competition in the United States with over 150 competitors in 2019. Our mission is to unite communities through the shared passion for Argentine Tango music and dance. The Festival features world renowned tango maestros, highly sought after workshops, incredible milongas with famous live orchestra and performances. The Championship features seven categories.

We attribute our success to tango aficionados, community supporters, event organizers and tango businesses that have been contributing graciously throughout the years. It's because of these donations that we have been able to attract high caliber participants from around the world, making SCTC one of the best known and respected tango events in the world.

Without the contribution of our sponsors an event of this magnitude would not be possible. Contributions have included ~ quality dance shoes, dance apparel, festival passes, paid invitations to perform at different tango events, accomodations in Buenos Aires to participate in the world tango championship, gift certificates, continuing online dance instruction.
