

On March 10-12th, the **9th Annual SoCal Tango Championship and Festival (a non-profit event)** will take place in Santa Monica, California. Over 400 attendees around the world travel to participate in this event. SCTC is the largest international competition in the US with over 150 competitors in 2019. Our mission is to unite communities through the shared passion for Argentine Tango music and dance. The Festival features world renowned tango maestros, highly sought after workshops, incredible milongas with celebrity DJs and breathtaking performances. The Championship features eight categories: Pro-Am Tango De Pista (New), Tango De Pista, Milonga, Vals, Senior Tango,, Escenario, Group Escenario and Jack & Jill.

We attribute our success to tango aficionados, community supporters, event organizers and tango businesses that have been contributing graciously throughout the years. It's because of these donations that we have been able to attract high caliber participants from around the world, making SCTC one of the best known and respected tango events in the world.

Without the contribution of our sponsors an event of this magnitude would not be possible. Contributions have included ~ cash prizes, flight tickets, one week of accommodations and opportunity to perform at a prestigious milonga in Buenos Aires, festival/milonga/marathon passes, paid invitations to teach and perform at different tango milongas/events, quality dance shoes, dance apparel, gift certificates, continuing online dance instruction and more.
